

MINI AC UNIT WITH DIFFUSER

TO USE THE DIFFUSER:

Prepare a solution of water and a few drops of Essential Oil of your choice, and pour into the bottle.

Open the lid of the AC unit using the tab and remove the diffuser tank stopper.

Pour contents of the bottle into the diffuser tank. Do not overfill.

Close diffuser tank stopper and AC unit lid, making sure it 'clicks.'

Plug in and power up the AC unit.

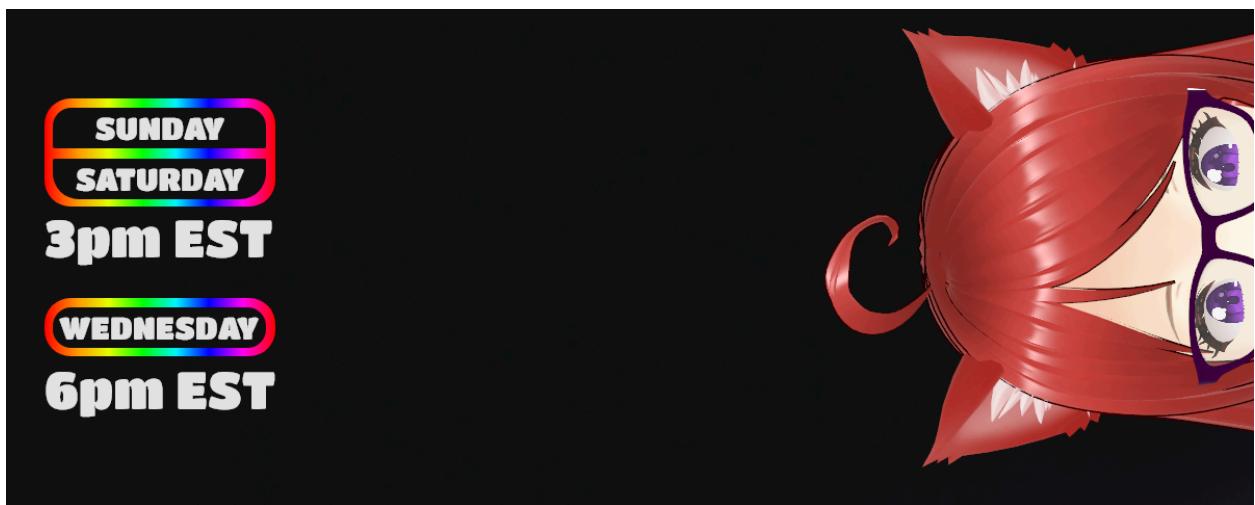

Press the diffuser button.
